## OBJECTIVE

I am dedicated to producing stories with premium quality work through film and photography. I have succeeded in directing and collaboration, I regularly work with digital technology and photo shoots, and I effectively operate in highly intense environments.

## EDUCATION

**BA (HONS) Press & Editorial Photography | Falmouth University | Second-Class Honours 2018 - 2021**

Being interested in environmental topics, photojournalism taught me to think outside of the box because I studied commercial genres which enhanced my skills in patience, research analysis, creative and news writing, and time management.

**UAL Diploma Art & Design. UAL Diploma Film Studies. UAL Diploma Photography | Abingdon & Witney College | Pass, Merit & Distinction 2015 - 2018**

I practiced with professional art materials, using paint, photography, graphite, advanced in sewing. I also developed in film and editing software by using Premiere Pro, Photoshop and After Effects. In photography, I explored a variety of genres and understood larger concepts of photography, including complex digital and film equipment.

**Literature, Language, Mathematics, Film studies, Catering, Science | Farmors Secondary School | A - C**

## EXPERIENCE

**INTERVIEWER & RESEACHER | FERN SESSIONS**

2018 – 2019

Researched into the history of the musicians and bands. I organised and interviewed the artists for online publications.

**COMMUNITY PHOTOJOURNALIST ASSISTANT | THE PACKET**

2019 – 2020

Photographer; documented community events for daily articles. I wrote about community events and edited articles.

## **CONTENT EDITOR & RESEARCHER | BLOOM IN DOOM MAGAZINE**

2019 – 2020

I appointed assignments, reviewed articles, and edited articles for the category, 'environment'.

## **CUSTOMER SERVICE ADVISOR | WHITE HORSE ENERGY**

2021

I answered and made phone calls to customers and service providers about the product and deliveries. Additionally, I managed and signed any financial claims within the business.
